Antoon De Baets is awarded the Forschungsfreiheitspreis (Freedom of research prize)

The [Network of Concerned Historians](#) (NCH) turns 30 this year. Founder and RNHS-member, Antoon De Baets, was awarded the *Forschungsfreiheitspreis* (Freedom of research prize) “Lapis animosus” by the Swiss Historical Society, meeting in Luzern on 10 July 2025. For his acceptance speech, “*History is not for beginners*,” please see [here](#). It was preceded by a [laudatio](#), and followed by an [interview](#). The RNHS warmly congratulates Antoon De Baets on this tribute.
